### **POSITIVE PROFIT ALERT**

This announcement is made by AV Concept Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company and potential investors that based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 (the “**Period**”) and the information currently available to the Group, the Group is expected to record an increase of not less than 70% (i.e. approximately HK\$22.1 million) in consolidated profit attributable to owners of the Company for the Period, as compared to that of approximately HK\$31.6 million for the six months ended 30 September 2023.

It is expected such increment was mainly attributable to, among others, (i) the increase in share of profits of joint ventures when compared to that for the six months ended 30 September 2023 primarily resulting from better performance of the joint ventures during the Period; and (ii) the net fair value gains on financial assets at fair value through profit or loss during the Period, as compared to the net fair value losses on financial assets at fair value through profit or loss for the six months ended 30 September 2023.

As at the date of this announcement, the Company is still in the process of finalising its unaudited consolidated interim results of the Group for the Period. The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts and information currently available to the Board, which have not yet been audited nor reviewed by the auditor of the Company and may be subject to adjustment. Shareholders of the Company and potential investors are advised to read the unaudited consolidated interim results of the Group for the Period carefully, which is expected to be published on 26 November 2024 pursuant to the requirements of the Listing Rules.

**Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.**
